

Physics 142, Fall 2013

Homework #1

Due in P142 homework locker (across from B&L 106) 4pm, Friday, September 13,  
2013

Feel free to discuss the problems with me and/or each other. Each student must write up his/her own solutions separately.

Unless otherwise indicated, problems are from Ohanian and Markert, Third Edition, Volume 2.

1. O&M chapter 22, problem 1.
2. O&M chapter 22, problem 5.
3. O&M chapter 22, problem 25.
4. O&M chapter 22, problem 33.
5. O&M chapter 22, problem 40.
