

Physics 142, Fall 2013

Homework #11

Due in P142 homework locker 4pm, Friday, December 13, 2013

Feel free to discuss the problems with me and/or each other. Each student must write up his/her own solutions separately.

Unless otherwise indicated, problems are from Ohanian and Markert, Third Edition, Volume 2.

1. O&M chapter 29, problem 23.
2. O&M chapter 29, problem 30.
3. O&M chapter 29, problem 35.
4. O&M chapter 29, problem 37.
5. O&M chapter 31, problem 7.
